

Dear Tuscan School Parents,

Another Fall season is upon us, which means that it's time for after school Enrichment !!

As many of you know, Tuscan's Enrichment program is completely run by parent volunteers. In order for everything to run smoothly, and to ensure that the children get the most out of their programs, we need people like you to volunteer !

We are looking for 3 - 4 parents (no babysitters please) on Thursdays and Fridays starting September 29th for 6 consecutive weeks. The Fall program is open to all grades except for the kindergartners, they can join us in the Spring !

It is a minimal time commitment, 3pm - 4:30pm, either day for 6 straight weeks, no calendar breaks this time, yay !!

And for your help, we will provide your child with 1 free Enrichment class !

That's right - if you volunteer for the six sessions of Enrichment classes, your child's fee* will be waived for one class. * The only additional fee would be \$20 if you choose one of the classes that need extra materials: (Clay Art, Jewelry Design, Maplewood shop, Screen Printing, Solar-printed pillows).

Please consider joining our volunteer team and keep Tuscan's Enrichment program running strong.

If interested, respond to : tuscanenrichment@gmail.com to volunteer now!

Thank you,
Tuscan Enrichment
