Spring SEPAC Meeting
SEPAC - Special Education Parent Advisory Committee

Join us to discuss issues related to parents supporting their children in education: the difference between a 504 and an IEP; discuss timelines associated with procedural safeguards; suggest ways to partner with case managers effectively; and preparing for school transitions (preK to K, elementary to middle, middle to high, etc.) with special needs children.

Our speaker will be Esther Canty-Barnes, Director, Special Education Clinic, Rutgers University School of Law

The executive committee will meet at 6.30pm to review the bylaws and other committee business.
