

The Chronicles of Egg, Book 1: Deadweather and Sunrise

**An Amazon Best Book of the Year
A Chicago Public Library Best Book of the Year
Waterstone's Children's Book Prize Finalist (U.K.)**

“In this rip-roaring debut... Lemony Snicket meets *Pirates of the Caribbean*, with a sprinkling of *Tom Sawyer* for good measure.”

--Rick Riordan, bestselling author of *The Lightning Thief*

“The fast-paced swashbuckling will surely satisfy fans of adventure, but it's really Egg's narration that makes this pirate story rise above its counterparts.”

--*Bulletin of the Center for Children's Books*, starred review

The Chronicles of Egg, Book 2: New Lands

“Delivers more danger, diabolical plots and dastardly villains than the first Egg book, and that's saying a lot... Occasionally gruesome, often funny and full of suspense, this one is sure to win Egg some new fans.”

--*Kirkus Reviews*

“Like riding a racing locomotive downhill with no brakes... Rodkey's ability to create fantastic characters and his ability to write non-stop action make the book very difficult to put down.”
