

## **SOUTH ORANGE MAPLEWOOD BOARD OF EDUCATION**

# ***Public Forum on District Capital Plans***

**Monday, June 17, 2013 @ 7:00pm**  
**525 Academy Street – District Meeting Room**  
**Maplewood, NJ**

This special forum will include a presentation on capital planning to:

- Renew District facilities to meet the educational and enrollment demands of the 21<sup>st</sup> Century
- Provide educational, performance, and athletic facilities that will benefit the larger South Orange-Maplewood community
- Renew Columbia High School buildings and grounds to reflect a legacy of excellence and to support advances in STEM education

The Board of Education is particularly interested in garnering community feedback regarding possible continued funding and maintenance of a swimming program and aquatic facility at Columbia High School.

Elected officials from South Orange and Maplewood will have an opportunity to ask questions and discuss the proposals following the presentation. Members of the general public are invited to share feedback during the “public speaks” portion of the meeting.

*Note: There will be additional opportunities for the community to hear about and provide feedback on the capital proposals.*
