# **'Your Child is not Working up to his/her Potential'**

***Raising an Independent and Engaged Learner***

**Child and Adolescent Psychologist**

***Dr. Adam Price***

**will discuss:**

- ✓ **How children can learn to persist when challenged to develop the critical self-regulation skills necessary to stay on track.**
- ✓ **Learn strategies to end power struggles and be a positive force in your child's education.**
- ✓ **Discover ways to help your child develop motivation from within, so you do not have to be the driving force behind their academic success.**

**Tuesday, February 5, 2013**

**7:30 p.m.**

**South Mountain School Cafeteria**

***444 W. South Orange Avenue, South Orange, NJ***

---

***Dr. Adam Price has been working in the field of child & adolescent psychology for over twenty years. He has published articles on child and family therapy, lectured widely and has appeared on "Good Day New York" to discuss topics ranging from child discipline to the impact of video games on children. Dr. Price maintains a private practice in Chatham and in Manhattan where he works with both children and adults.***
