

# **ROBOTICS COMPETITIONS AT COLUMBIA HIGH SCHOOL, SUNDAY, NOVEMBER 16**

On Sunday, November 16, 36 Robotics teams from all over New Jersey – including our own Varsity Robotics Team – will compete in the largest Robotics Tournament in the State except for the NJ State Championships.

The Community is invited to come by and watch the matches held in the CHS Main Gym. Matches will start at approximately 10AM. Admission is free. Children are especially welcome to see and learn about some very cool robots.

The 36 teams will be working on their robots in the CHS Cafeterias and guests are free to walk through and see the robots, talk to the team members, and watch some of the robots in action up close and personal!

**CHS Varsity Team – Team 4102 – the “Cougars”**  
**2014 Number 1 Team in NJ as voted by US FIRST**  
**2013 NJ State Champions (shared with CHS JV team)**  
**2013 Vermont State Champions**  
**2013 Semi-finalist, World Championships**  
**2012 PA State Champions**  
**2012 Semifinalist in NJ and NY State Championships**  
**2011 NJ State Champions**  
**2011 2<sup>nd</sup> Place, World Championships**
