

The Tuscan PTA works to build a strong and supportive school community by providing programs and activities that enrich our children’s educational experience. The PTA also supports teachers through supplies, stipends and professional development and purchases new educational technology.

The Tuscan PTA supports The Tuscan Show, Afterschool Enrichment, Author Visits, Farmers Market, Assemblies, Field Trips, Book Fair, Tuscan Fair, Art Show, Kindergarten Orientation, Yearbook, Odyssey of the Mind, School Pictures, and SO MUCH MORE!

The PTA is also a vital source of information for families for all things Tuscan.
